

MUHAMMED FARHAN A S

MSc Cyber Forensics

Edavanakkad, Ernakulam, Kerala | +91 9746970829 | farhanas2003@gmail.com | <https://www.linkedin.com/in/muhammed-farhan-a-s/> |

PROFESSIONAL SUMMARY

A highly motivated and detail-oriented postgraduate student pursuing a Master's degree in Cyber Forensics, with a solid academic background including a Bachelor's degree in the same field. Possess strong foundational and advanced knowledge in cyber security, enhanced through a comprehensive 5-month advanced-level certification course. Demonstrated expertise in digital forensics, network security, ethical hacking, and incident response. Committed to continuous learning and contributing to the advancement of secure digital environments through analytical thinking and practical skills.

EDUCATION

MSc Cyber Forensics — MG University, Kottayam

2024 - 2026 (Result Awaited)

BSc Cyber Forensics — MG University, Kottayam

2021 - 2024

Offenso Certified Security Professional (OCSF) — Offenso Hackers Academy, Palarivattom

6 Months

TECHNICAL SKILLS

Tools: Wireshark, BurpSuite, Metasploit, Autopsy, FTK Imager, PostMan, Basic Nmap

Programming: Python, HTML, JSP, SQLyog, WAMP Server

Domains: Cyber Forensics, Network Security, Social Engineering, OSINT, SQL Injection, XSS, Phishing

PROJECTS

LogX-Ray — Cybersecurity Threat Analysis Platform

- Built a Flask/Python platform for centralized log monitoring, real-time network threat detection, and PCAP-based forensic analysis with role-based access control and MySQL-backed data management.

TrueTrace SDEM — Secure Digital Evidence Management System

- Developed a JSP/Python evidence management system using SHA-256 hashing, RSA digital signatures, and steganography-based watermarking for tamper-resistant handling.

Seafarer Voyage — Inventory Management Web & Mobile App

- Built a handheld stock-recording system that syncs to a central database, replacing paper-based inventory counts and supplier receiving logs.

Color My World — AR-Based Home Design Web Application

- Built an AR and image-processing web app for virtual visualization and customization of house designs, curtains, and decorations.
-

CORE COMPETENCIES

Analytical Thinking, Technical Communication, Leadership, Attention to Detail, Fast Learner & Adaptable, Negotiation, Time Management, Research Skills, Creativity

LANGUAGES

Malayalam (Native), English (Fluent), Hindi (Beginner)
